If you would like to make use of one of our guest spaces at DeskLodge, please email em3admin@enterprisem3.org.uk with your name, the time you are visiting from & until and your car registration number. We will then confirm if there is an available space for you to use and the exact number of the space.

Alternatively, Lower Basing View Car Park is the nearest car park to DeskLodge. Below you will find the price list and a map of the walk to the office. This is a **RingGo** app carpark that accepts no alternative ways to pay.
